

JOB DESCRIPTION – LEAD INHOUSE SECURITY CONSULTANT

The Alliance Automotive Group (AAG) is a leading distributor of passenger and commercial vehicle parts to the independent automotive aftermarket in Europe. It operates in the United Kingdom, Ireland, France, Germany, Poland, Spain, Portugal, Belgium and the Netherlands. The company is a wholly-owned subsidiary of Genuine Parts Company (GPC), the largest worldwide automotive parts distributor with activities in North America, Europe, and Australasia. The AAG has a revenue of 3.1 billion euros with over 15,000 employees.

We are looking for a **Lead Inhouse Security Consultant** to join our European Cyber Security Team.

Main Duties and Responsibilities:

- Be involved in various IT & business projects to ensure security requirements are met in each state of the project
- Consult the local CIO and Sr. Leadership Team on Security Risks and Trends as well as Portfolio Status via Executive Reporting
- Be a permanent member of the local Cyber & Compliance as well as Risk Committee
- Keep oversight on the status of remediation status of Audit Findings
- Help to “bridge the gap” between the Country IT and Global Cyber Security Team

Requirements:

- A degree in Computer Science, IT, Systems Engineering or a related qualification such as CRISC, CISM or CISSP Certification
- Strong written and verbal communication skills
- Strong analytical and problem-solving skills
- Experience and confidence with communicating with and presenting to senior leadership
- Highly proficient in spoken and written English

Distinguishing characteristics of the ideal candidate:

- Interested in defining and analysing security related metrics and KPIs
- Good understanding of the arising challenges within the cyber security field
- Supportive of team members and colleagues who are often working under tight deadlines
- Diligent, well-organized and capable of following procedures
- Good time management – able to plan ahead to meet business deadlines.
- Trustworthy, honest and reliable.
- Willingness to work in an international environment

Our offer:

- Employment in an international, dynamic and successful company
- International responsibility combined with exciting projects
- High degree of personal responsibility and creative freedom for ideas
- Personal development and career progression opportunities
- Flexible working hours
