

JOB DESCRIPTION – SECURITY PROJECT MANAGER

The Alliance Automotive Group (AAG) is a leading distributor of passenger and commercial vehicle parts to the independent automotive aftermarket in Europe. It operates in the United Kingdom, Ireland, France, Germany, Poland, Spain, Portugal, Belgium and the Netherlands. The company is a wholly-owned subsidiary of Genuine Parts Company (GPC), the largest worldwide automotive parts distributor with activities in North America, Europe, and Australasia. The AAG has a revenue of 3.1 billion euros with over 15,000 employees.

We are looking for a **Security Project Manager (m/f/d)** to join our European Cyber Security Team.

Main Duties and Responsibilities:

- Track whether all projects are delivered on-time, within scope and within budget
- Schedule project team meetings to maintain adherence to timelines and requirements
- Work with individual vendor partners and internal stakeholders to ensure timelines are realistic and requirements are understood
- Identify key risks and issues, and facilitate the development of mitigation plans to resolve issues under aggressive timelines
- Track program performance and overall cyber security metrics
- Prepare management reports
- Manage one or more projects, mainly focused on security operations and engineering
- Help coordinating internal resources and third parties/vendors for the flawless execution of projects

Requirements:

- Bachelor's degree or equivalent practical experience
- Strong written and verbal communication skills
- Strong analytical and problem-solving skills
- Experience and confidence with communicating with and presenting to senior leadership
- Highly proficient in spoken and written English

Distinguishing characteristics of the ideal candidate:

- Interested in defining and analysing security related metrics and KPIs
- Good understanding of the arising challenges within the cyber security field: Knowledge of new vendors and solutions combined with a good understanding of
- Supportive of team members and colleagues who are often working under stress
- Diligent, well-organized and capable of following procedures
- Good at time management – able to plan ahead to meet business deadlines
- Trustworthy, honest and reliable
- Willingness to work in an international environment

Our offer:

- Employment in an international, dynamic and successful company
- International responsibility combined with exciting projects
- High degree of personal responsibility and creative freedom for ideas
- Personal development and career progression opportunities
- Flexible working hours
